

“Home Runs That Help”

On Saturday, December 28, 2017 Lou Doria from Wantagh, NY will be participating in the 12th Annual International Power Showcase in Miami, Florida at Marlins Park Stadium. Lou will be the only collegiate participant representing New York. Lou is entered into the Home Run Derby and will be participating in honor of Dylan Murphy, a local eleven year old boy battling cancer. All proceeds from Lou Doria’s Home Run Derby will directly benefit the John Theissen Children’s Foundation, located in Wantagh, NY. The John Theissen Children’s Foundation helps sick and underprivileged children in any capacity possible, including, but not limited to, granting special wishes and helping pay for medical expenses. JTCF will be providing Dylan with a very special gift.

If you would like to support Lou Doria’s Home Run Derby, in honor of Dylan Murphy, you can make a flat pledge or a pledge for each home run Lou will knock out of the ballpark. Thank you for your support!

You can team up with Lou by making a tax-deductible pledge for each home run or a flat pledge amount.

Please fill out pledge form and mail to:
